

Pay-N-Display Parking Machine

Available Beginning Monday, September 1, 2008

General Instructions:

- Park first in Visitor spaces or any non-restricted “A”, “B”, “C” (unless otherwise noted in the lot), then purchase your ticket. This ensures there is a space available before fee is paid.
- Pay for desired time. Deposit enough money to cover parking time needed. The machine accepts coins (nickels, dimes, quarters, or dollar coins) or credit cards (Visa, MasterCard, or Discover) only. The machine operates like a meter and adds parking time for each coin added. When using a credit card, simply swipe the card and select the amount of money, based on time needed, to charge to your credit card.
- Parking Rates:
 - \$1.00/hour (Monday through Friday 3:00AM - 6:00PM)
 - \$3.00 flat fee for evenings (Monday through Friday 6:00PM - 3:00AM)
 - \$3.00 flat fee for weekends (Friday 6:00PM through Monday at 3:00AM) per 24 hours.
- Machine DOES NOT give change or refunds. No refunds will be given for unused time.
- Only display ONE ticket at a time on the lower left hand driver’s side of the dash board.
- Keep bottom portion of the ticket as a receipt.
